

Backpack Tool Bag
1839080

Tools sold separately.

BACKPACK TOOL BAG

The hilmor Backpack Tool Bag is your jobsite sidekick with 19 exterior and interior pockets. Its sturdy rubber, water-resistant bottom means rain or shine, the contents inside won't be damaged. And while it's spacious enough to hold up to 50 lbs, padded shoulder straps and a back air vent make hauling it a little more comfortable and leaves your hands free to safely climb a ladder.

Secure Storage

Stow your meter away safely in either of the two padded zipper pockets on the exterior sides of the tote.

Superior Versatility

Hang your manifold from the bag's metal loop for easy transport to the jobsite.

Helps With The Heavy Lifting

This bag has room for multiple tools and is tested up to 50 lbs. The padded shoulder straps and air vent back make carrying more comfortable.
