

Siemens Low Voltage Circuit Protection General Duty Safety Switches. Type: Safety Switch, Enclosed General Duty Special Features: Non Fusible Application: Construction, Industrial, Residential Std: UL98 V. Rating: 240V A. Rating: 100A No. Of Poles: 3 Action: Single Throw Material: Galvanized Steel Size: H 23.46 x W 11.67 x D 14.68 inches Enclosure: Type 3R Mounting: 2 or 3 Point Mounting Lever O. Cycles: UL 98 Cycles Environmental Conditions: Seismic T58569.01-1

Manner of function of the actuating element	Single Throw
Mounting type	2 or 3 Point Mounting
number of poles	3
Suitability for operation	Construction; Industrial; Residential

Electricity	
Ampacity	100 A

Environmental conditions	
Ambient temperature during operation maximum	0 °C
Ambient temperature during operation minimum	0 °C

Model	
product brand name	Siemens
Product type designation	Safety Switch; Enclosed General Duty
Special product feature	Non Fusible

Mechanical Design	
Design of the housing	Type 3R
Design of the operating mechanism	Lever
material	Galvanized Steel

## General product approval

certificate of suitability

UL98
